

Peter 'Jim' Lee 1934 - 2021

Born a Mullet, Jim was one of our longest serving members and a first class bowler, as our honours board will testify. As an active member of our grounds maintenance team, Jim was always doing some carpentry around the clubhouse whilst enjoying a good laugh and some banter, especially with his late brother, Mick. When the bar was open, his first words were, "A club double, please".

Jim was such a cheerful person, particularly making new members feel welcome. He took new bowlers under his wing and taught many of our members how to bowl. Even after he stopped bowling in more recent times, Jim was regularly to be found at the clubhouse with a cheery smile and ready to offer good bowling advice.

Our thoughts are with Jim's family and friends – he touched so many lives and will be sadly missed.
